MINI-TALKS

Mini-talks were introduced at last year's conference and were a hit with participants and sponsors alike. These are essentially short talks where vendors can highlight their products. There are two conference rooms (seating ~12). Sponsors will be given the opportunity to have one-on-one interaction with interested participants. Conference rooms have audio-visual support for presentations.

If you have additional needs/requests, contact Christina DeWitt: christina.dewitt@oregonstate.edu
