# Why Do We Like What We Like?

Think about what interests you or what you are passionate about. Some examples of interests include:

- Playing soccer/sports
- Reading
- Listening to music
- Cooking
- Baking
- Science experiments
- Going on a hike
- Singing
- Playing an instrument
- Babysitting
- Watching TV
- Playing video games
- Learning a new language
- Fishing
- Going on the computer
- Writing
- Puzzles
- Acting
- Helping others
- Arts and crafts
- Animals and pets

Write down your top 3 interests on the lines below. You can choose from the above list or think of some of your own. Now think about what it is you like about these activities.

Some examples of why we like a certain activity could be because we like:

- Working with others
- Building relationships
- Building things
- Helping people
- Problem solving
- Being physically active
- Sharing stories or ideas
- Upholding a personal value
- Teaching or helping others
- Working independently
- Learning
- Accomplishing goals

Next to the bullet points under each interest, write down 3 reasons why you like the activity. You can choose these from the list above or come up with your own.

## My Top Three Interests:

1. _____	2. _____	3. _____
•	•	•
•	•	•
•	•	•

Figuring out why we like what we like can help us figure out what career we might be interested in or would be good at. List some possible careers/jobs you could have based on your interests:
