About Hispanic Scholarship Fund

Founded in 1975, the Hispanic Scholarship Fund believes that the country prospers when all Americans have access to the opportunities a college education can afford. As the nation's leading Hispanic higher education fund, HSF works to address the barriers that keep many Latinos from earning a college degree. HSF has awarded over \$300 million in scholarships over the past 35 years and has supported a broad range of outreach and education programs to help students and their families navigate collegiate life, from gaining admission and securing financial aid to finding employment after graduation. HSF envisions a future where every Latino household will have at least one college graduate, creating an enduring impact on the college outlook of Latino families nationwide, and strengthening the American economy for generations to come.
