## **Notice of Grant in Aid**

### **DKG Grant in Aid--\$300**

Delta Kappa Gamma is an international organization of women educators who promote professional and personal growth of educators and excellence in education. In keeping with these goals, the Salem Alpha Delta chapter of DKG recognizes outstanding students as they enter the education workforce. This year, the chapter is offering a \$300 grant-in-aid to a student nearing a Bachelor's or Master's degree in Education. The student should be a spring or summer 2014 graduate who plans to enter the teaching profession. The grant is open to both men and women. Enclosed is a copy of the application and the application procedure which may be duplicated.

The applicant must complete all materials as stated in the accompanying coversheet. The letter of recommendation should be mailed separately. Applications must be postmarked or arrive in my in-box by Monday, April 21, 2014. We will select and notify the applicants by Monday, May 12, 2014.

New teachers entering the workforce often need extra money to begin their teaching careers. We are pleased to offer this assistance to our new colleagues. If you have any questions, you may contact me by phone (503 393 6850) or email ([zernelj@comcast.net](mailto:zernelj@comcast.net)).
