

Poster Session

Description

Poster sessions are graphic displays that encourage informal discussions on a wide range of topics. Posters should NOT be used to advertise a product or service. Each presenter will be responsible for setting up the display, staffing it for the assigned poster session and removing the display at the scheduled time. Posters are a maximum size of 4 x 4 feet. Posters should follow the proposal outline below.

NEW THIS YEAR: E-Poster option. As NAE4-HA moves toward E-Posters, we would like to offer an in state opportunity to try the new format. When submitting the application and proposal simply choose E-Poster, Poster, or both. Based on the submission turnout and acceptance, we will notify each presenter the format options available to them. If you have questions on the E-Poster format and logistics contact Melissa.Sherman@oregonstate.edu
