

Note from your conference host: One of the reasons I chose the Courtyard Marriott for our conference is because there are so many restaurants within blocks. These are just some of them. Thanks to Lisa Fernandez for her help in getting this list together. Restaurants in **pink font** are my favorites but I would eat (and have eaten) at all the restaurants listed here.

There also lots of great bookstores in town (The Book Bin, Grassroots Books), bike shops (Cyclotopia!) and a yoga studio (right around the corner from the hotel (Studio Cloud 9).

Have fun!
