ACADEMIC BACKGROUND

BS, Fisheries Science (*with high honor*), Humboldt State University, 1967
MS, Zoology (Statistics Minor), University of Maine, 1968
PhD, Fisheries and Wildlife Science (Statistics Minor), Colorado State University, 1971

CURRENT PROFESSIONAL AFFILIATIONS

- **Professor**, Department of Fisheries and Wildlife, Oregon State University, 1982-date
- **Professor**, Graduate Faculty, Oregon State University, 1982-date
- **Professor (Adjunct)**, Department of Political Science, Oregon State University, 1995-date
- **Professor (Adjunct)**, Water Resources Graduate Program, Oregon State University, 1995-date
- **Professor (Adjunct)**, Environmental Sciences Graduate Program, Oregon State University, 2000-date
- **Professor (Adjunct)**, Marine Resource Management Program, 2003-date
- **Professor (Adjunct)**, Master of Natural Resources Program, 2011-date

SCIENTIFIC AND TECHNICAL PUBLICATIONS (list available upon request)

- Peer reviewed journal articles and book chapters (120+ published)
- Books (authored one; edited four)
- Monographs and published major scientific reports (6 published)

PAST PROFESSIONAL AFFILIATIONS

- **Senior Fisheries Biologist**, *National Health and Environmental Effects Research Laboratory, U.S. Environmental Protection Agency, Corvallis, 2000-08*
- **Chief (Acting)**, *Watershed Ecology Branch, EPA Western Ecology Division, Corvallis, March, 2002 - August, 2003*
- **Visiting Professor of Natural Resources**, *University of Northern British Columbia, January - July, 2000*
- **Associate Director for Science**, *Western Ecology Division, National Health and Environmental Effects Research Laboratory, U.S. Environmental Protection Agency, Corvallis, 1995-2000*
- **Associate Director**, *Center for Analysis of Environmental Change, Oregon State University, 1991-97*
- **Deputy Director**, *EPA Environmental Research Laboratory, Corvallis, 1989-95*
- **Chief (Acting)**, *Coastal Ecology Branch, EPA Western Ecology Division, Newport, Oregon, March - August, 1997*
- **Director (Acting)**, *EPA Environmental Research Laboratory, Corvallis, January - December, 1995*
- **Senior Science Advisor**, *National Biological Service, USDI, Washington, DC, October, 1993 - January, 1994*
- **Chief (Acting)**, *Program Operations, EPA Environmental Research Laboratory, Corvallis, September - October, 1991*
- **Chief (Acting)**, *Ecotoxicology Branch, EPA Environmental Research Laboratory, Corvallis, January - September, 1991*
- **Chief (Acting)**, *Watershed Branch, EPA Environmental Research Laboratory, Corvallis, July - December, 1990*
- **Chief**, *Terrestrial Branch, EPA Environmental Research Laboratory, Corvallis, 1987-89*
- **Associate Chief**, *Air Branch, EPA Environmental Research Laboratory, Corvallis, 1984-87*
- **Senior Ecologist**, *U.S. Fish and Wildlife Service (detailed to EPA Research Laboratory, Corvallis), 1981-84*
- **Leader**, *National Water Resources Analysis Group, U.S. Fish and Wildlife Service, Leetown, West Virginia, 1979-81*
- **Program Coordinator - Environmental Protection**, *U.S. Fish and Wildlife Service, Washington, DC, 1976-77 (one-year sabbatical from Virginia Tech)*
- **Visiting Professor of Biology**, *George Mason University, Fairfax, Virginia, Spring Semester, 1977*
- **Section Leader, Fisheries Science**, *Virginia Tech, 1971-72, 1975-76*
- **Assistant/Associate Professor of Fisheries Science**, *Department of Fisheries and Wildlife Sciences, (promoted and tenured, 1974) Virginia Tech, 1971-79*

UNIVERSITY TEACHING EXPERIENCE

- Ecological Policy (graduate course) [Oregon State University] (1993-date)
- Future of Pacific Northwest Wild Salmon (graduate course) [Oregon State University] (2008)
- Ecological Risk Assessment (senior/graduate course - team taught) [Oregon State University] (2004)
- Integrated Natural Resource Management (graduate course) [University of Northern British Columbia] (2000)
- Science, Policy, and Environmental Protection (graduate course) [Oregon State University] (1991-92)
- Biological Resource Management (graduate course) [George Mason University] (1977)
- Fisheries Theory (graduate course) [Virginia Tech] (1971-79)
- Natural Resources Management (undergraduate course - team taught) [University of Michigan] (1978)
- Fisheries and Wildlife Planning (graduate course) [Virginia Tech] (1971-79)
- Systems Ecology (undergraduate course) [Virginia Tech] (1978)
- Introductory Fisheries Science (undergraduate course) [Virginia Tech] (1971-79)

CONSULTING EXPERIENCE (includes only paid university consulting assignments)

- Martin-Marietta Corporation (1970)
- Stern and Rodgers (1971)
- Colorado Ecological Associates (1971)
- Tennessee Valley Authority (1972)
- Tidewater Virginia Properties (1973)
- Virginia Electric and Power Company (1973)
- Cornell University Press (1973)
- Law Engineering Testing Company (1973-74)
- Snowshoe, Inc. (1974-75)
- Virginia Trout Company (1974-76)
- Brandermill Corporation (1974-76)
- U.S. Fish and Wildlife Service (1975)
- U.S. Army Corps of Engineers (1975)
- Southside Electric Cooperative Foundation (1975-76)
- National Science Foundation (1975-76)
- Resource Consultants, Inc. (1976)
- National Park Service, for the Government of Egypt (1977)
- U.S. Fish and Wildlife Service (1977-78)
- Battelle, Columbus Laboratories (1978)
- U.S. Forest Service (1978)
- Gordon and Betty Moore Foundation (2009)
- MacArthur Foundation (2010)
- Gordon and Betty Moore Foundation (2011)
- The Nature Conservancy of California (2011)

INTERNATIONAL PROFESSIONAL EXPERIENCE (includes only professional assignments)

- Egypt (1977, 1993) - Improved management of national parks to protect treaty-protected bird species
- Initiation of program to reduce greenhouse gas emissions
- Russia (1992) - Initiation of program to reduce greenhouse gas emissions
- Ethiopia (1993) - Initiation of program to reduce greenhouse gas emissions
- Zimbabwe (1993) - Initiation of program to reduce greenhouse gas emissions

MEMBERSHIP IN PROFESSIONAL SOCIETIES AND ORGANIZATIONS

- American Fisheries Society (member since 1964; certified fisheries scientist, 1973; Fellow, 2016)
- American Institute of Fishery Research Biologists (member since 1973; Fellow, 1990)
- Ecological Society of America (1985-2002)
- International Association for Ecology (1985-2000)
- Pacific Fishery Biologists (1990-2004)
- Association of Ecosystem Research Centers - Alternate Laboratory Representative (1989-97)

RESEARCH GRANTS AWARDED (awarded 16 university research grants)

- U.S. Department of Interior, Office of Water Resources Research (1971-74)
- Virginia Commission of Game and Inland Fisheries (1971-72, 1971-73, 1972-74, 1976-77)
- Celanese Corporation (1971-73)
- U.S. Department of Agriculture (1971-74, 1974-79)
- Virginia Electric and Power Company (1971-74)
- Appalachian Power Company (1972-75, 1978-80)
- West Virginia Department of Natural Resources (1972-76)
- U.S. Fish and Wildlife Service (1973-74, 1976-79)
- Bass Research Foundation (1974-77)
- Virginia Water Resources Research Center (1975-76)

PARTICIPATION IN PROFESSIONAL SOCIETIES AND ORGANIZATIONS

- Secretary-Treasurer, Colorado-Wyoming Chapter - AFS (1970-71)
- Student Affairs Committee - AFS (1971-73)
- Environmental Science Section - Virginia Academy of Science (1971-79)
- Professional Education Standards Committee - AFS (1972-73)
- Program Chairman, Annual Meeting, Southern Division - AFS (1975)
- Committee on Curricula - AIFRB (1975)
- Publications Policy Committee - AFS (1978)
- Water Quality Committee - AFS (1980-82)
- Board of Professional Certification - AFS (1986-89)
- Environmental Concerns Committee - AFS (1988-90)
- Equal Opportunities Committee - AFS (1989-92)
- Publications Award Committee - AFS (1990)
- Equal Opportunities Section - AFS (1992-96)
- Excellence in Education Award Committee - AFS (1992-96)
- Continuing Education Coordinating Committee - Northwest Forestry Consortium (1995-99)
- Meritorious Service Award Committee - AFS (1996-98)
- Award of Excellence Committee - AFS (1986, 1992-96, 1998-2000)
- Education Section - Organizing Committee, Charter Member - AFS (1978-date)
- Oregon Chapter - AFS (1981-date)

GRADUATE STUDENT ADVISING

- Master of Science Students, Major Professor (17 degrees awarded)
- Doctoral Students, Major Professor (2 degrees awarded)
- Graduate Student Advisory Committees (served on approximately 60)

GRADUATE STUDENTS ADVISED (with thesis or project titles)

- **Boaze, John L.** (MS, 1972)
"Effects of Landlocked Alewife Introduction on White Bass and Walleye Populations, Claytor Lake, Virginia"
- **Schulte, Thomas L.** (MS, 1973)
"Effect of Rate of Water Discharge on Phytoplankton in Claytor Lake, Virginia"
- **Douglass, Vaughn M.** (MS, 1973)
"Experimental Cage Culture of Channel Catfish in Virginia"
- **Bryson, William T.** (MS, 1973)
"Restocking after Fishkills as a Fisheries Management Strategy"
- **Titlow, Franklin B.** (MS, 1973)
"DAM: A Computer-Implemented Water Resource Teaching Game"
- **Hammond, Dennis E.** (MS, 1974)
"Analysis of Catchable Trout Fisheries Management by Computer Simulation"
- **Zuboy, James R.** (MS, 1974)
"STOCKS: A Computer Simulation Model of a Multispecies Lake Fishery"
- **Clark, Richard D.** (MS, 1974)
"PISCES: A Computer Simulator to Aid Planning in State Fisheries Management Agencies"
- **Powers, Joseph E.** (PhD, 1975)
"Determining Optimal Policies for Management of an Aquatic Ecosystem"
- **Hampton, Ed L.** (MS, 1975)
"Managerial Implications of Angler Preferences and Fisheries Management Objectives"
- **Martel, Gary F.** (MS, 1976)
"A Computerized Method of Evaluating Environmental Impact Associated with Proposed Dam Construction"
- **Jester, Douglas B.** (MS, 1977)
"A Generalized Population Dynamics Theory for Largemouth Bass Fisheries"
- **Hubert, Wayne A.** (PhD, 1979)
"Distribution of Smallmouth Bass in Pickwick Reservoir, Alabama"
- **Meengs, Chad C.** (MS, 2004)
"Estimating the Size of Historical Coastal Oregon Salmon Runs"
- **Courter, Ian I.** (MS, 2005)
"Salmon Recovery in the Pacific Northwest: Defining What Constitutes a Wild Salmon"
- **Mintkeski, Tyler G.** (MS, 2006)
"The Utility of a Decision-Support Model to Assess Watershed Condition in Salmon Recovery"
- **Comfort, Cynthia L.** (MS, 2011)
"Policy and Project Management: Administrative and Professional Skills Development"
- **Franks, Sierra E.** (MS, 2012)
"Forecasting the Most Likely Status of Wild Salmon in the Central Valley of California in 2100"
- **McLay, Steven N.** (MS, 2013)
"Oregon Military Department: Revising the Natural Resource Policy Document"
- **Cook, Amy L.** (MS, 2014)
"An Evaluation of Collaborative Problem Solving in Wicked Natural Resource Problems"
- **Nolan, Christopher D.** (MS, 2016)
"Developing a Fisheries Law/Policy Course for an Undergraduate Study Abroad Organization"
- **Sheridan, Thomas M.** (MS, 2017)
"An Evaluation of Collaborative Salmon Fishery Management in Prince William Sound, Alaska"
- **Derby, Mona E.** (MS, 2018)
"Converting a Fish Hatchery to a Fisheries Research Center: Lessons Learned from a Six Decade Transition"

PROFESSIONAL RECOGNITION

- *Recipient*, Eight undergraduate merit-based academic scholarships (1962-67)
- *Awarded*, Bachelor of Science with high honor (1967)
- *Recipient*, University of Maine Graduate Research Assistantship (1967-68)
- *Recipient*, Colorado State University NDEA Graduate Fellowship (1968-71)
- *Elected*, Sigma Xi, elected to full membership (1969)
- *Outstanding Research Paper*, Colorado-Wyoming Chapter, AFS (1971)
- *Elected*, American Men and Women of Science (1971)
- *Certified Fisheries Scientist*, American Fisheries Society (1973)
- *Member*, Secretary of Interior's "Scientific Advisory Board on Fish, Wildlife, and Parks" (1975-76)
- *Commendation Award*, Sport Fishing Institute (1975)
- *Visiting Distinguished Professor*, University of Michigan (two weeks) (1978)
- *Associate Editor*, Transactions of the American Fisheries Society (1977-79)
- *Commendation*, U.S. Fish and Wildlife Service (1981)
- *Bronze Medal*, Acid Rain Aquatic Research Team, EPA (1983)
- *Commendation*, U.S. Fish and Wildlife Service (1984)
- *Distinguished Alumnus*, Humboldt State University (1986)
- *Excellence in Management Award*, Office of Research and Development, EPA (1987)
- *Postdoctoral Advisor*, National Research Council, Research Associate Program (1987-2008)
- *Fellow*, American Institute of Fishery Research Biologists (elected 1990)
- *Editorial Board*, Human and Ecological Risk Assessment (1995-2004)
- *Scientific and Technological Achievement Award for a Scientific Publication*, EPA (1996)
- *Consulting Editor*, Journal of Aquatic Ecosystem Stress and Recovery (1997-2003)
- *Scientific and Technological Achievement Award for a Scientific Publication*, EPA (1999)
- *Fulbright Scholar* (1999-00)
- *Honorarium Award* (\$5,000), Innovative Science in Salmon Restoration, Portland State University (2000)
- *Associate Editor*, book: "Managing for Healthy Ecosystems" (2000-2002)
- *Associate Science Editor*, Fisheries, American Fisheries Society (2000-2009)
- *Scientific and Technological Achievement Award for a Scientific Publication*, EPA (2000)
- *2001 Honor Alumnus*, College of Natural Resources, Colorado State University (2001)
- *Scientific and Technological Achievement Award for a Scientific Publication*, EPA (2001)
- *Member*, Editorial Board, Renewable Resources Journal, (2002-date)
- *2003 Science Achievement Award for Biology/Ecology*, EPA (2003)
- *Bronze Medal*, Endangered Species Litigation Team, EPA (2003)
- *2004 Science Communication Award*, Office of Research and Development, EPA (2004)
- *Future Issues Award*, National Health and Environmental Effects Research Laboratory, EPA (2004)
- *Leadership in the Environmental Research Community Award*, NHEERL, EPA (2005)
- *Gold Medal for Exceptional Service*, U.S. Environmental Protection Agency (2008)
- *Fellow*, American Fisheries Society (2016)

PROMOTION AND TENURE COMMITTEE PARTICIPATION (since 1996)

- Outside Evaluator — *Oregon State University* (1996, 1998)
- Outside Evaluator — *Duke University* (1997)
- Outside Evaluator — *Mississippi State University* (1998)
- Outside Evaluator — *University of Waterloo* (2000)
- Outside Evaluator — *University of Wyoming* (2000)
- Outside Evaluator — *University of Oklahoma* (2001)
- Outside Evaluator — *U.S. Geological Survey* (2001)
- Outside Evaluator — *Virginia Tech* (2003)
- Outside Evaluator — *Duke University* (2005)
- Outside Evaluator — *University of Vermont* (2005)
- Outside Evaluator — *University of California, Davis* (2008)
- Outside Evaluator — *University of Alberta* (2017)

SCIENTIFIC PEER REVIEW (since 1993)

- **Member - Scientific Peer Review Panel** - “*Ecological Assessment and Sustainability Program*” - Western Center for Comparative Risk, University of Colorado, Boulder, Colorado (1994)
- **Member - Scientific Peer Review Panel** - “*Ecological Monitoring of the Upper Mississippi River*” - Environmental Monitoring Technical Center, US Geological Survey, Onalaska, Wisconsin (1996)
- **Member - Scientific Review Team** - “*Tongass National Forest Land Management Plan*” - Pacific Northwest Research Station, US Forest Service (1997)
- **Member - Scientific Peer Review Panel** - *Internal Grant Competition* - “*Forest and Rangeland Ecosystem Science Center*” - United States Geological Survey, Corvallis, Oregon (1998)
- **Member - Scientific Peer Review Panel** - “*Multiple Stressors in Ecological Risk and Impact Assessment: Approaches to Risk Estimation*” - International Risk Science Institute, Washington, DC (1999)
- **Member - Scientific Peer Review Panel** - *Research Grant Competition* - “*Northern Land Use Institute*” - University of Northern British Columbia, Prince George, British Columbia (2000)
- **Member - Fisheries Expert Review Team** - “*The Canada Foundation for Innovation*” - Vancouver, British Columbia (2000)
- **Scientific Reviewer - Natural Sciences and Engineering Research Council of Canada** - Research grant competition - science referee (multiple grant proposals) - Ottawa, Ontario (2001-03)
- **Scientific Reviewer - Wild Salmon Policy** - *Canadian Department of Fisheries and Oceans*, Pacific Biological Station, Nanaimo, British Columbia (2001)
- **Scientific Reviewer - Scientific book manuscript** - *CRC/Lewis Publishers*, Boca Raton, Florida (2002)
- **Scientific Reviewer - Scientific book manuscript** - *John Wiley and Sons, Publishers*, Hoboken, New Jersey (2006)
- **Member - Independent Evaluation Team** - “*Wild Salmon Ecosystems Initiative*” - Gordon and Betty Moore Foundation, Palo Alto, California (2009)
- **Scientific Reviewer - Portuguese Foundation for Science and Technology** - “*Natural and Environmental Sciences Research Proposals*” (2012)
- **Scientific Reviewer - Qatar National Research Fund** - “*Annual Competition for Scientific Research Funding in Agricultural and Life Sciences*” (2012, 2013, 2014, 2015, and 2018)

SCIENTIFIC ADVICE (since 1993)

- **Participant - Workshop** - *"Guidelines for Improving Decision Making at the Intersection of Ecology and Policy"* - US Forest Service, Rensselaerville, New York (1996)
- **Participant - Workshop** - *"Multi-Stakeholder Involvement in Ecological Risk Management"* - Society of Environmental Toxicology and Chemistry, Williamsburg, Virginia (1997)
- **Participant - Pellston Workshop** - *"Oviparous Vertebrates: Mechanisms, Ecological Consequences, and Assessments of Risk"* - Society of Environmental Toxicology and Chemistry, Gregson, Montana (1997)
- **Participant - Workshop** - *"Scaling Up the Frame: Multiple Stressors and Risk Assessment in Whole Ecosystems"* - Water Environment Research Foundation, Lansdowne, Virginia (1997)
- **Member - Forestry Research Advisory Council (FRAC)** - *"United States Department of Agriculture"* - Cooperative State Research, Education, and Extension Service, Washington, DC (1997-2001)
- **Member - Board of Practitioners (Outside Advisory Group)** - *"Department of Botany and Plant Pathology"* - Oregon State University, Corvallis, Oregon (1998)
- **Delegate - Natural Resources Congress** - *"Human Population Growth: Impacts on the Sustainability of Renewable Natural Resources"* - Renewable Natural Resources Foundation, Washington, DC (1998)
- **Participant - Workshop** - *"Integrating Ecosystems and Economics"* - University of Wyoming, Laramie, Wyoming (1999)
- **Member - Interagency Salmon Science Team** - *"Committee on Environment and Natural Resources"* - National Science and Technology Council, Washington, DC (1999-2004)
- **Delegate - Natural Resources Congress** - *"Promoting Sustainability in the 21st Century"* - Renewable Natural Resources Foundation, Portland, Oregon (2000)
- **Panelist and Presenter - Symposium** - *"Integrated Decision-Making for Watershed Management"* - Virginia Tech, Chevy Chase, Maryland (2001)
- **Member - Scientific Advisory Board** - *"Center for Water and Environmental Sustainability (CWES)"* - Oregon State University, Corvallis, Oregon (2001-06)
- **Member - Research Planning Workgroup** - *"Fish Deformities in the Willamette River, Oregon"* - Natural Resources Institute, Oregon State University, Corvallis, Oregon (2001)
- **Member - Futures Team** - *"Taking the Future Seriously"* - Oregon State University, Corvallis, Oregon (2001-2002)
- **Participant - Research Planning Workshop** - *"Cooperative Watershed Research Symposium"* - National Marine Fisheries Service, Leavenworth, Washington (2002)
- **Participant - Research Planning Workshop** - *"Watershed-based Ecological Risk Assessment of Pesticide Use in Western Oregon"* - Oregon State University, Salem, Oregon (2003)
- **Plenary Panelist and Presenter - Conference** - *"A Kaleidoscope of Options for Undergraduate Environmental Programs"* - Council of Environmental Deans and Directors, Portland, Oregon (2003)
- **Panelist and Presenter - Conference** - *"Science, Scientists, and Policy Advocacy in an Ecological Research Organization"* - Annual Meeting of the Cooperative Fisheries and Wildlife Research Units, US Geological Survey, March 1-3, Jacksonville, Florida (2005)
- **Member - Aquacultural and Fisheries Science Advisory Team** - *"Cooperative Research Support Program"* - Oregon State University, Corvallis, Oregon (2006-2008)
- **Member - External Advisory Board** - *"Water Resources Graduate Program"* - Oregon State University, Corvallis, Oregon (2008-date)
- **Member - Advisory Board** - *"Professional Science Master's Degree in Fisheries and Wildlife Administration"* - Oregon State University, Corvallis, Oregon (2011-date)
- **Member - Ad Hoc Committee** - *"Increasing the Impact of Government Affairs Activities"* - The Wildlife Society, Washington, DC (2012-13)
- **Member - Advisory Committee** - *"Science Advisory Council"* - American Water Resources Association, Middleburg, Virginia (2016-17)

SCIENTIFIC CONFERENCE AND SYMPOSIUM COMMITTEES (since 1993)

- **Member - Steering Committee** - *"Symposium: Pacific Salmon and Their Ecosystems: Status and Future Options"* - University of Washington, January 10-12, Seattle, Washington (1994)
- **Member - Program Committee** - *"Symposium: Ecological Risk Assessment: Use, Abuse, and Alternatives"* - Oregon State University, Corvallis, Oregon (1994)
- **Member - Program Committee** - *"Symposium: Research Advances in Risk Assessment"* - US Environmental Protection Agency, Research Triangle Park, North Carolina (1998)
- **Member - Program Development Committee** - *"International Congress on Ecosystem Health"* - International Society for Ecosystem Health, Sacramento, California (1999)
- **Member - Program Committee** - *"Symposium: Indicators in Health and Ecological Risk Assessment"* - US Environmental Protection Agency, Research Triangle Park, North Carolina (2000)
- **Member - Organizing Committee** - *"Symposium: Fish — and Fish Managers — at Risk: Evaluating the Appropriateness of Models for Risk Assessment and Decision-Making"* - Conference: Toward Ecosystem-Based Management: Breaking Down the Barriers in the Columbia River Basin and Beyond, Spokane, Washington (2002)
- **Member - Steering Committee** - *"Monitoring the Status of Salmon Around the Pacific Rim"* - Interagency Planning Committee (2002-04)
- **Co-organizer - Symposium** - *"The Salmon 2100 Project: How to Sustain Significant, Sustainable Runs of Wild Salmon Through 2100"* - Annual Meeting, Oregon Chapter, American Fisheries Society, Corvallis, Oregon (2005)
- **Co-organizer - Symposium** - *"The Salmon 2100 Project: How to Sustain Significant, Sustainable Runs of Wild Salmon Through 2100"* - Annual Meeting, American Fisheries Society, Anchorage, Alaska (2005)
- **Co-organizer - Symposium** - *"The Salmon 2100 Project: How to Sustain Significant, Sustainable Runs of Wild Salmon Through 2100"* - Annual Meeting, American Water Resources Association, Seattle, Washington (2005)
- **Co-organizer - Conference** - *"The Salmon 2100 Project: The Future of Wild Pacific Salmon"* - Conference, Portland, Oregon (2006)
- **Co-organizer - Symposium** - *"Advocacy in Conservation Science"* - Annual Conference of the Society for Conservation Biology, San Jose, California (2006)

POSTER PRESENTATIONS *(since 1994)*

1. Hlohowskyj, Ihor, Michael S. Brody, and Robert T. Lackey. 1994. Development of a climate change impact vulnerability assessment training module for African freshwater and marine fisheries. (Poster). Symposium: *Regional Assessment of Freshwater Ecosystems and Climate Change in North America*, October 24-26, Leesburg, Virginia.
2. Lackey, Robert T. and Roger L. Blair. 1995. Science, policy, and acid rain: lessons learned. (Poster). Conference: *Crossroads of Science and Policy: A Review of Bioregional Assessments*, November 6-8, Portland, Oregon.
3. Munns, Wayne R., Robert C. MacPhail, Russell J. Erickson, Theresa S. Harris, Robert T. Lackey, Robert W. Luebke, John E. Rogers, and Michael D. Waters. 1998. Extrapolation in human health and ecological risk assessments. (Poster). *Nineteenth Annual Meeting of the Society of Environmental Toxicology and Chemistry*, November 15-19, Charlotte, North Carolina.
4. Lackey, Robert T. 1999. Restoration of Pacific salmon and the allure of normative science. (Poster). Annual Meeting, *Society of Environmental Toxicology and Chemistry*, November 14-18, Philadelphia, Pennsylvania.
5. Lackey, Robert T., Parker J. Wigington, Jana E. Compton, Stephen C. Ralph, Derek Poon, and Mary Lou Soscia. 2003. Collaborative effects to reverse the decline of salmon in the Pacific Northwest (Poster). *EPA Science Forum 2003*, May 5-7, Washington, DC.
6. Lackey, Robert T., Denise H. Lach, and Derek Poon. 2005. Salmon 2100 Project: alternative futures for Pacific Salmon (Poster). *State of the Salmon Conference: Building the New Agenda for North Pacific Salmon Conservation*, April 17-20, Anchorage, Alaska.
7. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest Salmon (Poster). *Third Biennial Conference: Forging Solutions by Applying Ecological Economics to Urgent Problems*, July 20-23, Tacoma, Washington.

INVITED TECHNICAL PRESENTATIONS *(since 2000)*

1. Lackey, Robert T. 2000. Restoring salmon in the Pacific Northwest: chasing an illusion? Lecture, Research Colloquium, January 21, *University of Northern British Columbia*, Prince George, British Columbia.
2. Lackey, Robert T. 2000. The policy conundrum: restoring salmon to the Pacific Northwest. Lecture, *University of Northern British Columbia*, February 17, Prince George, British Columbia.
3. Lackey, Robert T. 2000. Salmon policy: an introduction. Lecture, *University of Northern British Columbia*, April 3, Prince George, British Columbia.

4. Lackey, Robert T. 2000. Restoring wild salmon to the Pacific Northwest: what does risk assessment offer? Annual Meeting, *American Fisheries Society*, North Pacific Chapter, April 10-12, Mt. Vernon, Washington.
5. Lackey, Robert T. 2000. Restoring wild salmon to the Pacific Northwest: chasing an illusion? Conference, *What We Don't Know about Pacific Northwest Fish Runs: An Inquiry into Decision-Making*, July 7-8, Portland State University, Portland, Oregon.
6. Lackey, Robert T. 2000. Policy conundrum: restoring wild salmon to the Pacific Northwest. Biennial Conference, *International Institute of Fisheries Economics and Trade*, July 10-14, Corvallis, Oregon.
7. Lackey, Robert T. 2000. Wild salmon recovery in the Pacific Northwest: forecasting the twenty-first century. Lecture, *Oregon State University*, November 1, Newport, Oregon.
8. Lackey, Robert T. 2000. Careers in ecology — research, management, and advocacy. Lecture, *Oregon State University*, November 9, Corvallis, Oregon.
9. Lackey, Robert T. 2000. Wild salmon: forecasting the twenty-first century. Lecture, *Southern Oregon University*, November 14, Ashland, Oregon.
10. Lackey, Robert T. 2000. Defending reality: standing against the acolytes of delusion. Seminar, *Oregon State University*, November 17, Corvallis, Oregon.
11. Lackey, Robert T. 2001. Watershed management: ecological information that makes a difference. International Symposium, *Integrated Decision-Making for Watershed Management*, January 7-9, Chevy Chase, Maryland.
12. Lackey, Robert T. 2001. Restoring Pacific Northwest salmon: scientific and policy perspectives. Lecture, *Eastern Management Development Center, U.S. Office of Personnel Management*, March 13, Shepherdstown, West Virginia.
13. Lackey, Robert T. 2001. Pacific Northwest salmon: in search of sustainability. Lecture, *University of Idaho*, April 11, Moscow, Idaho.
14. Lackey, Robert T. 2001. Nutrient addition to restore salmon runs: is it consistent with environmental policies and regulations? Moderator and Discussant, *International Conference on Restoring Nutrients to Salmonid Ecosystems*, American Fisheries Society, April 24-26, Eugene, Oregon.
15. Lackey, Robert T. 2001. The Endangered Species Act and the Pacific Northwest: can we afford (not) to save the salmon? Moderator and Discussant, Public Policy Forum, Thomas S. Foley Public Policy Institute, *Washington State University*, May 1, Vancouver, Washington.
16. Lackey, Robert T. 2001. Pacific Northwest salmon: divining the future. Lecture, *University of Oregon*, May 21, Eugene, Oregon.
17. Lackey, Robert T. 2001. Ecological risk assessment: appropriate use in natural resource management. Lecture, *Oregon State University*, June 1, Corvallis, Oregon.

18. Lackey, Robert T. 2001. Salmon science and policy. Lecture, *Oregon State University*, October 3, Corvallis, Oregon.
19. Lackey, Robert T. 2001. Careers in ecology — research, management, and advocacy. Lecture, *Oregon State University*, October 25, Corvallis, Oregon.
20. Lackey, Robert T. 2001. Reality, delusions, and other assorted truths: the future of salmon in the Pacific Northwest. Seminar, *Pacific Biological Station, Fisheries and Oceans Canada*, November 8, Nanaimo, British Columbia.
21. Lackey, Robert T. 2001. Wild salmon: forecasting the twenty-first century. Lecture, *Southern Oregon University*, November 13, Ashland, Oregon.
22. Lackey, Robert T. 2001. Pacific Northwest Salmon in the 21st century: reality, delusions, and other assorted truths. Seminar, *Oregon State University*, November 28, Corvallis, Oregon.
23. Lackey, Robert T. 2001. Restoring wild salmon to the Pacific Northwest: framing the risk question. *Annual Meeting of the Society for Risk Analysis*, December 2-5, Seattle, Washington.
24. Lackey, Robert T. 2001. 150 years of salmon restoration: assorted truths. Lecture, *Organizational Learning: Adaptive Management for Salmon Conservation*, December 3-4, Bellevue, Washington, Proceedings of the Conference, Olympic Natural Resources Center, University of Washington, Forks, Washington, URL:
25. Lackey, Robert T. 2001. Salmon recovery: defending reality, delusions, and other assorted truths. Seminar, Oregon District Office, *U.S. Geological Survey*, December 18, Portland, Oregon.
26. Lackey, Robert T. 2002. Pacific salmon fisheries of the world: status, prospects, and challenges. Seminar, International Environmental Issues, *Oregon State University*, January 29, Corvallis, Oregon.
27. Lackey, Robert T. 2002. Salmon in crisis: in search of a solution for the Pacific Northwest. Chataqua lecture, *Unitarian-Universalist Fellowship*, February 8, Corvallis, Oregon.
28. Lackey, Robert T. 2002. Wild salmon recovery: learning from successes and mistakes. Plenary Lecture, Annual Meeting, Oregon Chapter, *American Fisheries Society*, February 27 - March 1, Sunriver, Oregon.
29. Lackey, Robert T. 2002. Salmon recovery in the twenty-first century: breaching the basic barriers. Lecture, Conference — *Toward Ecosystem-Based Management: Breaking Down the Barriers in the Columbia River Basin and Beyond*. Spokane, Washington, April 27 - May 1. [Lecture published in *The Tributary*, Newsletter of the Western Division of the American Fisheries Society, 26(3): 8-10].
30. Lackey, Robert T. 2002. Science, politics, and Pacific Northwest salmon recovery. Lecture, *Southern Oregon University*, July 16, Ashland, Oregon.
31. Lackey, Robert T. 2002. Science, politics, and Pacific Northwest salmon recovery. Lecture, *Oregon State University*, August 7, Corvallis, Oregon.

32. Lackey, Robert T. 2002. Future of Pacific Northwest salmon: science and policy in action. Lectures (2), *Oregon State University*, October 9 & 11, Corvallis, Oregon.
33. Lackey, Robert T. 2002. Policy and science in natural resource agencies: searching for appropriate roles. Lecture, *Leadership Conference*, U.S. Fish and Wildlife Service, October 28-30, Anchorage, Alaska.
34. Lackey, Robert T. 2002. Restoring salmon to the Pacific Northwest: legacies, choices, and trajectories. Watershed Management Council Biennial Conference: "*Watersheds Across Boundaries: Science, Sustainability, Security*," November 3-6, Stevenson, Washington.
35. Lackey, Robert T. 2002. Science, politics, and Pacific Northwest salmon recovery. Lecture, *Southern Oregon University*, November 19, Ashland, Oregon.
36. Lackey, Robert T. 2002. Careers in ecology — research, management, and advocacy. Lecture, *Oregon State University*, November 21, Corvallis, Oregon.
37. Lackey, Robert T. 2003. Salmon fisheries of the world: status, prospects, and challenges. Seminar, International Environmental Issues, *Oregon State University*, February 4, Corvallis, Oregon.
38. Lackey, Robert T. 2003. Normative science: a corrupting influence in ecological policy? Keynote Lecture, *Northwest Scientific Association*, March 27-28, Forks, Washington.
39. Lackey, Robert T. 2003. A salmon-centric view of the 21st century in the western United States. Lecture, *World Summit on Salmon*, Simon Fraser University, June 10-13, Vancouver, British Columbia. [Citation: Lackey, Robert T. 2004. A salmon-centric view of the twenty-first century in the western United States. pp. 131-137. In: Proceedings of the conference, Simon Fraser University, Burnaby, BC, Canada].
40. Lackey, Robert T. 2003. A salmon-centric view of the 21st century in the Western United States. Seminar, *U.S. Fish and Wildlife Service*, Columbia River Fisheries Office, August 21, Vancouver, Washington.
41. Lackey, Robert T. 2003. The future of Pacific Northwest salmon: anatomy of a crisis. Lecture, *Oregon State University*, Academy for Lifelong Learning, September 16, Corvallis, Oregon.
42. Lackey, Robert T. 2003. Environmental research and education programs: let's get the science-policy interface right. Plenary panel presentation, Project Kaleidoscope Conference: *Taking Advantage of New Opportunities for Environmental Sciences*, September 19-21, Portland, Oregon.
43. Lackey, Robert T. 2003. Wild salmon restoration: is it worth it? Seminar, *Oregon State University*, October 29, Corvallis, Oregon.
44. Lackey, Robert T. 2003. 1850-2100: a salmon-centric history of western North America. Plenary Lecture, *Northwest Salmonid Recovery Conference*, November 4-7, Seattle, Washington.
45. Lackey, Robert T. 2003. Normative science: a corrupting influence in ecological policy? Plenary Lecture, Annual Meeting, *Western Society of Naturalists*, November 7-10, Long Beach, California.

46. Lackey, Robert T. 2003. Facts, fantasies, and forecasts: the future of wild salmon. Lecture, *Illahhee Environment Matters Lecture Series*, December 4, Portland, Oregon.
47. Lackey, Robert T. 2004. Pacific Northwest salmon recovery: incorporating science into policy analysis. Lecture, *Southern Oregon University*, February 25, Ashland, Oregon.
48. Lackey, Robert T. 2004. Salmon and salmon fisheries: a world and historical perspective. Lecture, *Southern Oregon University*, February 26, Ashland, Oregon.
49. Lackey, Robert T. 2004. Normative science: a corrupting influence in fisheries policy. Annual Meeting, Western Division, *American Fisheries Society*, February 29 - March 4, Salt Lake City, Utah. [Reprinted: *The Tributary*. 28(2): 8-11].
50. McComb, Brenda C., Joseph L. Ebersole, and Robert T. Lackey. 2004. Integrative considerations in watershed planning. Annual Meeting, Western Division, *American Fisheries Society*, February 29 - March 4, Salt Lake City, Utah.
51. Lackey, Robert T. 2004. The four nations of salmon world: a science and policy context. Plenary Lecture, *Twenty-second Annual Salmonid Restoration Conference*, March 17-20, Davis, California.
52. Lackey, Robert T. 2004. Salmon restoration: formulating goals within a realistic science and policy context. Seminar, *Oregon State University*, April 29, Corvallis, Oregon.
53. Lackey, Robert T. 2004. Ecological policy: defining appropriate roles for science and scientists. Seminar, *Oregon State University*, May 19, Corvallis, Oregon.
54. Lackey, Robert T. 2004. Normative science: a corrupting influence in ecological policy. Seminar, *Oregon State University*, July 21, Newport, Oregon.
55. Lackey, Robert T. 2004. Salmon recovery: agents, drivers, and delusions. Annual Meeting, *American Fisheries Society*, August 22-26, Madison, Wisconsin.
56. Lackey, Robert T. 2004. Normative science: a corrupting influence in ecological and natural resource policy. Seminar, *University of Idaho*, September 21, Moscow, Idaho.
57. Lackey, Robert T. 2004. Pacific Northwest salmon: in search of a sustainable future. Plenary Lecture, *Northwest Salmonid Recovery Conference*, October 26-29, Seattle, Washington.
58. Lackey, Robert T. 2004. A two century history of Pacific Northwest salmon: lessons learned for achieving a sustainable future. Annual Meeting, North Pacific International Chapter, *American Fisheries Society*, November 1-3, Stevenson, Washington.
59. Lackey, Robert T. 2005. Salmon and the Endangered Species Act: past, current, and future perspectives. Lecture, *Oregon State University*, January 5, Corvallis, Oregon.

60. Lackey, Robert T., and Denise H. Lach. 2005. *Salmon 2100 Project: alternative futures for Pacific Salmon*. Annual Meeting, Oregon Chapter, *American Fisheries Society*, February 16-18, Corvallis, Oregon.
61. Lackey, Robert T. 2005. Science, scientists, and policy advocacy in an ecological research organization. Annual Meeting of the Cooperative Fisheries and Wildlife Research Units, US Geological Survey, March 1-3, Jacksonville, Florida.
62. Lackey, Robert T. 2005. Sustainability and restoration: delineating proper roles for values, policy, and science. *Sustainability and Restoration: A Practical Partnership for the 21st Century*, Society for Ecological Restoration, Northwest Chapter Regional Conference, April 4-8, Seattle, Washington.
63. Lackey, Robert T. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest salmon. Seminar, *Oregon State University*, May 9, Corvallis, Oregon.
64. Lackey, Robert T. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest salmon. Lecture, *Jefferson Fish Society*, May 19, Medford, Oregon.
65. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest salmon. Seminar, *Caucus of Federal Agencies Responsible for Salmon Recovery in the Columbia River Basin*, July 12, Portland, Oregon.
66. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest salmon. *Third Biennial Conference: Forging Solutions by Applying Ecological Economics to Urgent Problems*, July 20-23, Tacoma, Washington.
67. Lackey, Robert T. 2005. The Salmon 2100 Project – an alternative futures perspective on salmon recovery. Environmental Protection Agency, Alaska Operations Office, September 13, Anchorage, Alaska.
68. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest salmon. Annual Meeting, *American Fisheries Society*, September 11-15, Anchorage, Alaska.
69. Lach, Denise H., Sally L. Duncan, and Robert T. Lackey. 2005. An analysis of the proposed policy prescriptions for restoring wild salmon to California, Oregon, Washington, Idaho, and southern British Columbia. Annual Meeting, *American Fisheries Society*, September 11-15, Anchorage, Alaska.
70. Lackey, Robert T. 2005. Salmon recovery: facts, fantasies, and futures. Lecture, *Kiwanis Club of Corvallis*, October 12, Corvallis, Oregon.
71. Lackey, Robert T. 2005. The Salmon 2100 Project – an alternative futures perspective on salmon recovery. Environmental Protection Agency, Regional Office, October 19, San Francisco, California.
72. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2005. The Salmon 2100 Project: alternative futures for Pacific Salmon. Annual Conference, *American Water Resources Association*, November 6-10, Seattle, Washington.

73. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest salmon. *Third Biennial Non-point Source Conference*, November 7, Sacramento, California.
74. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2005. The Columbia River Basin — an alternative futures perspective on salmon recover. Annual Conference, *The Mighty Columbia*, November 14-15, Seattle, Washington.
75. Duncan, Sally L., Robert T. Lackey, and Denise H. Lach. 2005. Salmon 2100 Project: alternative futures for Pacific Northwest salmon. *Annual Meeting*, Nez Perce Tribe, Department of Fisheries Resources Management, December 16, Lewiston, Idaho.
76. Lackey, Robert T. 2006. Salmon recovery and the Endangered Species Act: when policy dreams clash with biological realities. Lecture, *Oregon State University*, January 13, Corvallis, Oregon.
77. Lackey, Robert T., Denise H. Lach, and Sally L. Duncan. 2006. Wild salmon in 2100: an alternative futures perspective. Conference, *The Salmon 2100 Project: The Future of Wild Salmon*. January 25, Portland, Oregon.
78. Lach, Denise H., Robert T. Lackey, and Sally L. Duncan. 2006. The Salmon 2100 Project: what the authors did not address. Conference, *The Salmon 2100 Project: The Future of Wild Salmon*. January 25, Portland, Oregon.
79. Lackey, Robert T. 2006. Pacific Northwest salmon: in search of a sustainable future. Plenary Lecture, *Northwest Salmonid Recovery Conference*, February 15-17, Seattle, Oregon.
80. Lackey, Robert T. 2006. Salmon management, clashing values, and biological realities. Lecture, *Eastern Oregon University*, February 17, LaGrande, Oregon.
81. Courter, Ian I., and Robert T. Lackey. 2006. Defining what constitutes a wild salmon. Annual Meeting, Oregon Chapter, *American Fisheries Society*, March 1-3, Sunriver, Oregon.
82. Mintkeski, Tyler G., and Robert T. Lackey. 2006. Finding a place for expert opinion in salmon recovery. Annual Meeting, Oregon Chapter, *American Fisheries Society*, March 1-3, Sunriver, Oregon.
83. Lackey, Robert T. 2006. Salmon recovery: facts, fantasies, and futures. Banquet Lecture, Annual Meeting, *Santiam Fish and Game Association*, March 24, Lebanon, Oregon.
84. Lackey, Robert T. 2006. Pacific Northwest salmon: an alternative futures perspective on salmon recovery. Seminar, Environmental Protection Agency Regional Office, May 4, Seattle, Washington.
85. Lackey, Robert T. 2006. Pacific Northwest salmon: an alternative futures perspective on salmon recovery. Seminar, National Health and Environmental Effects Research Laboratory, Environmental Protection Agency, June 7, Duluth, Minnesota.

86. Lackey, Robert T. 2006. Wild salmon in 2100: an alternative futures perspective on salmon recovery. Keynote Lecture, Yakima Basin Aquatic Science and Management Conference, Central Washington University, June 14-15, Ellensburg, Washington.
87. Aycrigg, Jocelyn L., Gabrielle R. Feldman, Robert T. Lackey, Anna B. Pidgorna, Janet L. Rachlow, David A. Rupp, J. Michael Scott, David I. Stanish, and Leona K. Svancara. 2006. Advocacy in science: an overview of the issue and its controversies. Symposium, *Advocacy in Conservation Science*, Annual Meeting, Society for Conservation Biology, June 24-28, San Jose, California.
88. Lackey, Robert T., and Joshua J. Lawler. 2006. Defining appropriate roles for science and scientists in developing, analyzing, and implementing public policy. Symposium, *Advocacy in Conservation Science*, Annual Meeting, Society for Conservation Biology, June 24-28, San Jose, California.
89. Lackey, Robert T. 2006. Ecological policy: defining appropriate roles for science and scientists. Seminar, Hatfield Marine Science Center, *Oregon State University*, August 10, Newport, Oregon.
90. Lackey, Robert T. 2006. Pacific salmon: lessons learned for recovering Atlantic salmon. Annual Meeting, *American Fisheries Society*, September 10-14, Lake Placid, New York.
91. Lackey, Robert T. 2006. The Pacific Northwest in 2100: an alternative futures perspective on salmon recovery. Annual Meeting, *British Columbia Ministry of the Environment*, October 3-4, Victoria, British Columbia.
92. Lackey, Robert T. 2006. The future of salmon in the Pacific Northwest: an analysis of policy options. Seminar, Marine Resources Management Program, *Oregon State University*, October 11, Corvallis, Oregon.
93. Lackey, Robert T. 2006. Science, scientists, and policy advocacy in an ecological research organization. Seminar, *University of Massachusetts*, October 16, Amherst, Massachusetts.
94. Lackey, Robert T. 2007. Salmon and the Endangered Species Act: troublesome questions. Lecture, *Oregon State University*, January 12, Corvallis, Oregon.
95. Lackey, Robert T. 2007. Policy options for sustaining significant, sustainable runs of wild salmon in the Pacific Northwest. Panel Presentation, *Fly Fishers Expo*, March 9-10, Albany, Oregon.
96. Lackey, Robert T. 2007. Salmon recovery: searching for a credible option. Lecture, *Oregon State University*, March 13, Corvallis, Oregon.
97. Lackey, Robert T. 2007. Science, scientists, and policy advocacy. Lecture, *Oregon State University*, March 13, Corvallis, Oregon.
98. Lackey, Robert T. 2007. The Pacific Northwest in 2100: an alternative futures perspective on salmon recovery. Natural Resources and Environmental Studies Institute, Colloquium Lecture, *University of Northern British Columbia*, March 16, Prince George, British Columbia.

99. Lackey, Robert T. 2007. The Salmon 2100 Project: sustaining wild salmon and 100 million people. Lecture, *Oregon State University*, April 17, Corvallis, Oregon.
100. Lackey, Robert T. 2007. Science, scientists, and advocacy. Lecture, Annual Project Leaders Meeting, *U.S. Fish and Wildlife Service*, May 16, Sacramento, California.
101. Lackey, Robert T. 2007. Challenges to sustaining diadromous fishes through 2100: lessons learned from western North America. *Second International Symposium on Diadromous Fishes, Challenges for Diadromous Fishes in a Dynamic Global Environment*, June 18-21, Halifax, Nova Scotia.
102. Lackey, Robert T. 2007. The Salmon 2100 Project: options to protect, restore, and enhance salmon along the west coast of North America. Annual Meeting, *American Fisheries Society*, September 2-6, San Francisco, California.
103. Lackey, Robert T. 2007. The West Coast in 2100: an alternative futures perspective on salmon recovery. Lecture, Conference, *Forestry and Anadromy – Are We the Solution to Recovery?* October 26, Redding, California.
104. Lackey, Robert T. 2007. The Pacific Northwest in 2100: an alternative futures perspective on salmon recovery. Plenary Lecture, Conference, *Northwest Salmonid Recovery Conference*, November 6-9, Seattle, Washington.
105. Lackey, Robert T. 2008. Salmon and the Endangered Species Act: troublesome questions. Lecture, *Oregon State University*, January 9, Corvallis, Oregon.
106. Lackey, Robert T. 2008. Salmon 2100: some policy options that just might work. Annual Employee Retreat, *British Columbia Ministry of Fisheries*, January 29-31, Kelowna, British Columbia.
107. Lackey, Robert T. 2008. Contentious issues in agriculture: salmon vs. cows in the Pacific Northwest. *Oregon State University*, February 13, Corvallis, Oregon.
108. Lackey, Robert T. 2008. Salmon 2100: some recovery options that just might work. Plenary Lecture, *Twenty-Sixth Annual Salmonid Restoration Conference*, March 5-8, Lodi, California.
109. Lackey, Robert T. 2008. Ecological policy: defining roles for science and scientists. Seminar, College of Oceanic and Atmospheric Sciences. *Oregon State University*, July 24, Corvallis, Oregon.
110. Lackey, Robert T. 2008. Ecological policy: defining roles for science and scientists. Seminar, Hatfield Marine Science Center, *Oregon State University*, August 14, Newport, Oregon.
111. Lackey, Robert T. 2008. Science, scientists, and policy advocacy. Plenary Lecture, *British Columbia Institute of Agrologists*, Professional Development Workshop, November 1, Langley, British Columbia.
112. Lackey, Robert T. 2008. Wild salmon in 2100: some recovery strategies that just might work. Lecture, *Oregon State University*, December 1, Corvallis, Oregon.

113. Lackey, Robert T. 2009. Salmon and the Endangered Species Act: troublesome questions. Lecture, *Oregon State University*, January 14, Corvallis, Oregon.
114. Lackey, Robert T. 2009. Wild salmon in 2100: proposing realistic recovery strategies. Lecture, *Oregon State University*, March 9, Corvallis, Oregon.
115. Lackey, Robert T. 2009. Wild salmon in 2100: straight talk about the future. Plenary lecture, *Salmon Summit: 21st Century Economics — The Value of Our Salmon*. March 12, Bellingham, Washington.
116. Courter, Ian C., and Robert T. Lackey. 2009. The future of salmon management in the Columbia River Basin. *Symposium, Transboundary River Governance in the Face of Uncertainty: The Columbia River Treaty*, April 2-4, Coeur d'Alene, Idaho.
117. Lackey, Robert T. 2009. Science, scientists, and policy advocacy. Lecture, Annual Conference, *British Columbia College of Applied Biology*, May 7, Victoria, British Columbia.
118. Lackey, Robert T. 2009. Science, scientists, and policy advocacy. Seminar, Hatfield Marine Science Center, *Oregon State University*, June 18, Newport, Oregon.
119. Lackey, Robert T. 2009. Science, scientists, and policy advocacy. Seminar, College of Oceanic and Atmospheric Sciences. *Oregon State University*, July 23, Corvallis, Oregon.
120. Lackey, Robert T. 2009. The government scientist: charting an ethical path. Seminar, Water Resources Graduate Program, *Oregon State University*, October 21, Corvallis, Oregon.
121. Lackey, Robert T. 2009. Science, scientists, and policy advocacy. Lecture, *Northwestern School of Law, Lewis and Clark College*, October 29, Portland, Oregon.
122. Lackey, Robert T. 2009. Science, scientists, and policy advocacy. Seminar, Marine Resources Management Program, College of Oceanic and Atmospheric Sciences. *Oregon State University*, November 9, Corvallis, Oregon.
123. Lackey, Robert T. 2009. Is science biased toward natural? Lecture, Annual Meeting, *National Council for Air and Stream Improvement*, November 17-18, Vancouver, British Columbia.
124. Lackey, Robert T. 2010. The Endangered Species Act: salmon case study. Lecture, *Oregon State University*, January 11, Corvallis, Oregon.
125. Lackey, Robert T. 2010. Contentious issues in agriculture: salmon vs. cows in the Pacific Northwest. Lecture, *Oregon State University*, February 9, Corvallis, Oregon.
126. Lackey, Robert T. 2010. Salmon without rivers: what are society's options? Lecture, *Oregon State University*, March 8, Corvallis, Oregon.
127. Lackey, Robert T. 2010. Science, scientists, and policy advocacy: how to avoid normative science. Lecture, *Oregon State University*, April 8, Corvallis, Oregon.

128. Lackey, Robert T. 2010. Is science biased toward natural? Keynote Lecture, Graduate Conference for Fisheries and Marine Ecosystems, *Fisheries and Marine Ecosystems Network (FAME)*, April 23-25, Port Moody, British Columbia.
129. Lackey, Robert T. 2010. Science, scientists, and policy advocacy. Seminar, Hatfield Marine Science Center, *Oregon State University*, June 24, Newport, Oregon.
130. Lackey, Robert T. 2010. Science, scientists, and policy advocacy. Seminar, College of Oceanic and Atmospheric Sciences. *Oregon State University*, July 8, Corvallis, Oregon.
131. Lackey, Robert T. 2010. Is science biased toward natural? Lecture, Annual West Coast Regional Meeting, *National Council for Air and Stream Improvement*, September 29, Vancouver, Washington.
132. Lackey, Robert T. 2010. Science, scientists, and policy advocacy. Seminar, Marine Resources Management Program, College of Oceanic and Atmospheric Sciences. *Oregon State University*, October 18, Corvallis, Oregon.
133. Lackey, Robert T. 2011. The Endangered Species Act: salmon case study. Lecture, *Oregon State University*, January 7, Corvallis, Oregon.
134. Lackey, Robert T. 2011. Is science biased toward natural? Plenary Lecture, *48th Annual Alberta Soil Science Workshop*, February 16, Calgary, Alberta.
135. Lackey, Robert T. 2011. Salmon without rivers: what are society's options? Lecture, *Oregon State University*, March 7, Corvallis, Oregon.
136. Lackey, Robert T. 2011. Science, scientists, and policy advocacy: how to avoid normative science. Lecture, *Oregon State University*, April 5, Corvallis, Oregon.
137. Lackey, Robert T. 2011. Wild salmon in 2100: straight talk about the future. Plenary lecture, *Staff Retreat, Canada Department of Fisheries and Oceans*, May 18, Kamloops, British Columbia.
138. Lackey, Robert T. 2011. Science, scientists, and policy advocacy. Seminar, Hatfield Marine Science Center, *Oregon State University*, July 7, Newport, Oregon.
139. Lackey, Robert T. 2011. Keeping science free of policy advocacy: a practical guide for scientists. Seminar, College of Oceanic and Atmospheric Sciences. *Oregon State University*, August 3, Corvallis, Oregon.
140. Lackey, Robert T. 2011. Science: beacon of reality. Plenary Lecture, *141st Annual Meeting of the American Fisheries Society*, September 5, Seattle, Washington.
141. Lackey, Robert T. 2011. Wild salmon in 2100: straight talk about the future. Lecture, Visions Workshop, *Fraser River Aboriginal Fisheries Secretariat, Canada Department of Fisheries and Oceans*, October 6, Quesnel, British Columbia.

142. Lackey, Robert T. 2011. Keeping science free of policy advocacy: a practical guide for scientists. Seminar, Marine Resources Management Program, College of Oceanic and Atmospheric Sciences. *Oregon State University*, November 7, Corvallis, Oregon.
143. Lackey, Robert T. 2011. The Columbia River Basin in 2100. Lecture, Department of Fisheries and Wildlife, *Oregon State University*, November 15, Corvallis, Oregon.
144. Lackey, Robert T. 2011. Is science biased toward natural? Seminar, Oregon Institute of Marine Biology, *University of Oregon*, November 18, Charleston, Oregon.
145. Lackey, Robert T. 2011. Scientists, lawyers, advocates, and whistleblowers: a sorry case of charades. Lecture, *Northwestern School of Law, Lewis and Clark College*, November 23, Portland, Oregon.
146. Lackey, Robert T. 2012. Endangered Species Act: from aspiration to reality. Lecture, *Oregon State University*, January 25, Corvallis, Oregon.
147. Lackey, Robert T. 2012. Keeping science free of policy advocacy: a practical guide for scientists. Lecture, *Oregon State University*, February 29, Corvallis, Oregon.
148. Lackey, Robert T. 2012. Keeping science free of policy advocacy: a practical guide for scientists. Natural Resources and Environmental Studies Institute, Colloquium Lecture, *University of Northern British Columbia*, March 16, Prince George, British Columbia.
149. Lackey, Robert T. 2012. Fisheries and wildlife management: keeping science free of policy advocacy. Lecture, *Oregon State University*, April 10, Corvallis, Oregon.
150. Lackey, Robert T. 2012. Is science biased toward natural? Seminar, College of Earth, Ocean, and Atmospheric Sciences, *Oregon State University*, May 8, Corvallis, Oregon.
151. Lackey, Robert T. 2012. Role of science in the political process. Seminar, Hatfield Marine Science Center, *Oregon State University*, July 5, Newport, Oregon.
152. Lackey, Robert T. 2012. Science and the political process. Seminar, College of Earth, Oceanic, and Atmospheric Sciences. *Oregon State University*, August 1, Corvallis, Oregon.
153. Michael, John H., and Robert T. Lackey. 2012. Pacific coast salmon — past, present, and future. Annual Meeting, *Ecological Society of America*, August 7, Portland, Oregon.
154. Lackey, Robert T. 2012. Straight talk about the future of salmon. *Fifth Annual Mat-Su Salmon Science and Conservation Symposium*, November 7, Wasilla, Alaska.
155. Lackey, Robert T. 2012. Unpublished lessons learned from the Salmon 2100 Project. *Fifth Annual Mat-Su Salmon Science and Conservation Symposium*, November 7, Wasilla, Alaska.
156. Lackey, Robert T. 2012. Straight talk about the future of salmon. *Southeast Alaska Fish Habitat Partnership*. November 9, Juneau, Alaska.

157. Lackey, Robert T. 2012. Keeping science free of policy advocacy: a practical guide for scientists. Seminar, Marine Resources Management Program, College of Oceanic and Atmospheric Sciences, *Oregon State University*, November 19, Corvallis, Oregon.
158. Lackey, Robert T. 2013. Science and public policy. Lecture, *Oregon State University*, January 16, Corvallis, Oregon.
159. Lackey, Robert T. 2013. Salmon without rivers: what was left out? Lecture, *Oregon State University*, March 11, Corvallis, Oregon.
160. Lackey, Robert T. 2013. Fisheries and wildlife management: keeping science free of policy advocacy. Lecture, *Oregon State University*, April 11, Corvallis, Oregon.
161. Lackey, Robert T. 2013. Defining an appropriate role for science and scientists in public policy. Lecture, *Oregon State University*, May 9, Corvallis, Oregon.
162. Lackey, Robert T. 2013. Science: use and misuse in natural resource management. Lecture, *Oregon State University*, May 14, Corvallis, Oregon.
163. Lackey, Robert T. 2013. Scientific assertions that muddle ecological policy. Keynote Lecture, 58th Annual Meeting, *Great Lakes Fishery Commission*, May 29, Montreal, Canada.
164. Lackey, Robert T. 2013. Saving wild salmon: a 165 year policy conundrum. Dubach Workshop: Science and Scientists in the Contemporary Policy Process, *Oregon State University*, October 3-4, Portland, Oregon.
165. Lackey, Robert T. 2013. Scientific assertions that muddle ecological policy. Seminar, Advocacy in Science; Science in Advocacy, College of Forestry, *Oregon State University*, October 31, Corvallis, Oregon.
166. Lackey, Robert T. 2013. Scientific assertions that muddle ecological policy. Seminar, Water Resources Graduate Program, *Oregon State University*, November 20, Corvallis, Oregon.
167. Lackey, Robert T. 2014. Science and public policy. Lecture, *Oregon State University*, January 8, Corvallis, Oregon.
168. Lackey, Robert T. 2014. Use and abuse of science in fisheries and wildlife management. Lecture, *Oregon State University*, January 16, Corvallis, Oregon.
169. Lackey, Robert T. 2014. Future of salmon: California, Oregon, Washington, Idaho, and southern British Columbia. Lecture, *Oregon State University*, January 21, Corvallis, Oregon.
170. Lackey, Robert T. 2014. Deconstructing the role of science in ecosystem-based management. Lecture, *Oregon State University*, February 26, Corvallis, Oregon.
171. Lackey, Robert T. 2014. Charting a future for West Coast Salmon: troublesome realities to consider. Lecture, *Oregon State University*, March 10, Corvallis, Oregon.

172. Lackey, Robert T. 2014. Is science biased toward natural? Lecture, *Oregon State University*, March 11, Corvallis, Oregon.
173. Lackey, Robert T. 2014. West Coast salmon: science and policy context. Lecture, *Oregon State University*, April 15, Corvallis, Oregon.
174. Lackey, Robert T. 2014. Use and abuse of science in fisheries and wildlife management. Lecture, *Oregon State University*, April 17, Corvallis, Oregon.
175. Lackey, Robert T. 2014. Deconstructing the role of science in natural resource management. Lecture, *Oregon State University*, April 22, Corvallis, Oregon.
176. Lackey, Robert T. 2014. Four realities circumscribing the future of the Salish Sea. Plenary Lecture, *Salish Sea Ecosystem Conference*, April 30-May 2, Seattle, Washington.
177. Lackey, Robert T. 2014. West coast salmon: past, present, and future. Lecture, *Oregon Coast Community College*, May 9, Newport, Oregon.
178. Lackey, Robert T. 2014. Defining the proper role of science in environmental and natural resource economics. Lecture, *Oregon State University*, May 19, Corvallis, Oregon.
179. Lackey, Robert T. 2014. Is science biased toward natural? Plenary Lecture, *35th Annual North American Meeting of the Society of Environmental Toxicology and Chemistry*, November 9-13, Vancouver, British Columbia.
180. Lackey, Robert T. 2014. Role of science in water resource policy. Lecture, *Oregon State University*, November 25, Corvallis, Oregon.
181. Lackey, Robert T. 2015. Normative science and fisheries and wildlife management. Lecture, *Oregon State University*, January 20, Corvallis, Oregon.
182. Lackey, Robert T. 2015. Use and abuse of science in fisheries and wildlife management. Lecture, *Oregon State University*, January 22, Corvallis, Oregon.
183. Lackey, Robert T. 2015. Deconstructing the role of science in ecosystem-based management. Lecture, *Oregon State University*, February 2, Corvallis, Oregon.
184. Lackey, Robert T. 2015. Role of science in environmental policy and management. **Lecture, *Oregon State University*, February 17, Corvallis, Oregon.**
185. Lackey, Robert T. 2015. **Science and public policy: maintaining relevance, ensuring accuracy, and avoiding advocacy. Seminar, *Virginia Tech*, March 5, Blacksburg, Virginia.**
186. Lackey, Robert T. 2015. Future of west coast salmon: understanding the policy context. Lecture, *Oregon State University*, March 9, Corvallis, Oregon.

187. Lackey, Robert T. 2015. Has science become just about irrelevant in informing policy debates? Plenary Lecture, Annual General Conference, *British Columbia College of Applied Biology*, March 13, Vancouver, British Columbia.
188. Lackey, Robert T. 2015. Defining appropriate roles for science and scientists in public policy. Lecture, *Oregon State University*, April 2, Corvallis, Oregon.
189. Lackey, Robert T. 2015. Has science become just about irrelevant in informing policy debates? Plenary Lecture, Joint Annual Meeting, *Oregon Chapter of The Wildlife Society and Oregon Society of American Foresters*. April 29, Eugene, Oregon.
190. Lackey, Robert T. 2015. Use and abuse of science in natural resource management. Lecture, *Oregon State University*, May 14, Corvallis, Oregon.
191. Lackey, Robert T. 2015. Future of West Coast salmon: management in the real world. Lecture, *Oregon State University*, May 21, Corvallis, Oregon.
192. Lackey, Robert T. 2015. Use and abuse of science in water resource management and policy. Lecture, *Oregon State University*, May 26, Corvallis, Oregon.
193. Lackey, Robert T. 2015. Public policy: where does biological conservation fit? Lecture, *Oregon State University*, October 15, Corvallis, Oregon.
194. Lackey, Robert T. 2016. Role of science in environmental policy and management. Lecture, *Oregon State University*, January 6, Corvallis, Oregon.
195. Lackey, Robert T. 2016. Normative science and fisheries and wildlife management. Lecture, *Oregon State University*, January 14, Corvallis, Oregon.
196. Lackey, Robert T. 2016. Future of wild salmon: hidden delusions and clever indulgences. Keynote Lecture, *Salmonid Enhancement Program, Canada Department of Fisheries and Oceans*, February 16, Cowichan Bay, British Columbia.
197. Lackey, Robert T. 2016. Natural resource policy and management: use and abuse of science. Lecture, *Oregon State University*, March 3, Corvallis, Oregon.
198. Lackey, Robert T. 2016. Conservation biology: delineating an appropriate role for science and scientists. Lecture, *Oregon State University*, March 8, Corvallis, Oregon.
199. Lackey, Robert T. 2016. Salmon without rivers: a natural resource management case study. Lecture, *Oregon State University*, March 9, Corvallis, Oregon.
200. Lackey, Robert T. 2016. Use — and abuse — of science in natural resource management. Lecture, *Humboldt State University*, April 7, Arcata, California.

201. Lackey, Robert T. 2016. Salmon, delusional reality, and indulgences atoning for guilt. Lecture, *Michael G. Scott Distinguished Lecture Series, Humboldt State University*, April 7, Arcata, California.
202. Lackey, Robert T. 2016. Salmon management in western North America: a natural resource case study. Lecture, *Oregon State University*, April 12, Corvallis, Oregon.
203. Lackey, Robert T. 2016. Scientists, engineers, and policy advocates: delineating an appropriate role for science. Keynote, *Water Research Symposium*, Oregon State University, April 18, Corvallis, Oregon.
204. Lackey, Robert T. 2016. Defining appropriate roles for science and scientists in public policy. Lecture, *Oregon State University*, April 21, Corvallis, Oregon.
205. Lackey, Robert T. 2016. Use and abuse of science in natural resource management. Lecture, *Oregon State University*, April 28, Corvallis, Oregon.
206. Lackey, Robert T. 2016. Use — and abuse — of science in water resource policy and management. Webinar Lecture, *American Water Resources Association*, May 4, Middleburg, Virginia.
207. Lackey, Robert T. 2017. Role of science in marine resource management: use, abuse, confusion, and discord. Lecture, *Oregon State University*, January 18, Corvallis, Oregon.
208. Lackey, Robert T. 2017. Water resource management: how to recognize policy-biased science. Lecture, *Oregon State University*, January 24, Corvallis, Oregon.
209. Lackey, Robert T. 2017. Use and misuse of science in fisheries and wildlife management. Lecture, *Oregon State University*, January 26, Corvallis, Oregon.
210. Lackey, Robert T. 2017. The future of West Coast salmon: a fisheries and wildlife policy case study. Lecture, *Oregon State University*, March 10, Corvallis, Oregon.
211. Lackey, Robert T. 2017. West Coast salmon recovery: deconstructing the conundrum. Lecture, *Oregon State University*, April 19, Corvallis, Oregon.
212. Lackey, Robert T. 2017. Water resource management: a practitioner's guide to the proper use of science. Lecture, *Oregon State University*, May 11, Corvallis, Oregon.
213. Lackey, Robert T. 2017. Water resource management: be careful how science is used. Lecture, *Oregon State University*, May 25, Corvallis, Oregon.
214. Lackey, Robert T. 2017. Environmental science, policy, and management. Lecture, *Oregon State University*, September 29, Corvallis, Oregon.
215. Lackey, Robert T. 2017. Public policy: realities for scientists and managers. Lecture, *Oregon State University*, October 5, Corvallis, Oregon.

216. Lackey, Robert T. 2017. Water resource management: identifying advocacy masquerading as science. Keynote Lecture, *American Water Resources Association, Annual Conference, Montana Section*, October 19, Helena, Montana.
217. Lackey, Robert T. 2018. A practitioner's guide to identifying advocacy masquerading as science. Lecture, Marine Resource Management, *Oregon State University*, January 17, Corvallis, Oregon.
218. Lackey, Robert T. 2018. A practitioner's guide to identifying advocacy masquerading as science. Lecture, Geosciences Program Seminar Series, *Oregon State University*, January 29, Corvallis, Oregon.
219. Lackey, Robert T. 2018. Salmon recovery and delusional reality: indulgences atoning for guilt? Keynote Lecture, *River Restoration Northwest Conference*, February 6, Skamania, Washington.
220. Lackey, Robert T. 2018. Natural resource policy and management: the evolving role of science. Lecture, *Oregon State University*, February 15, Corvallis, Oregon.
221. Lackey, Robert T. 2018. The future of West Coast salmon: a fisheries and wildlife management case study. Lecture, *Oregon State University*, March 9, Corvallis, Oregon.
222. Lackey, Robert T. 2018. The future of wild salmon: a policy analysis. Lecture, *Oregon State University*, April 17, Corvallis, Oregon.
223. Lackey, Robert T. 2018. Is science on a path to irrelevance in policy and management? Plenary Lecture, *National Convention, Society of American Foresters*, October 4, Portland, Oregon. [Reprinted: *The Forestry Source* (November, 2018)], *Society of American Foresters*, 23(11): 5-6, 21.]
224. Lackey, Robert T. 2018. Environmental science, policy, and management. Lecture, *Oregon State University*, November 2, Corvallis, Oregon.
225. Lackey, Robert T. [2019]. A practitioner's guide to policy advocacy masquerading as science. Lecture, *Oregon State University*, January 14, Corvallis, Oregon.
226. Lackey, Robert T. [2019]. Is science on a path to irrelevance in policy and management? Plenary Lecture, *15th Annual Banff Conference, Alberta Institute of Agrologists*, March 28, Banff, Alberta.
