I give my permission to the faculty of Oregon State University to use my Work Sample as teaching material for subsequent members of this professional teacher education program, education faculty, and students engaged in teacher education doctoral studies. I understand fully that by giving this permission, I am only granting future students the right to view and take notes from my Work Sample. I am not giving them permission to remove this Work Sample from the education department facility, take pages out of the Work Sample, or photocopy any part of this Work Sample.
