Immigration Requirements for Returning Students

New I-20 or DS-2019

If you have been outside of the United States for more than five (5) months and you were not continuously enrolled during that time, your SEVIS record may have been terminated in accordance with immigration reporting requirements. If your SEVIS has been terminated, you will need to request a new I-20 or DS-2019 from ISFS to return to OSU and get a new visa from the United States Embassy in your home country.

SEVIS Fee

You will need to pay the SEVIS fee again if a new SEVIS record has been created for you and a new I-20 or DS-2019 issued to you. You must pay the SEVIS fee before applying for a new visa. To pay the SEVIS fee online, visit www.fmjfee.com. You will need your date of birth and the SEVIS ID from your new I-20 or DS-2019.

U.S. Visa

You may use your current F-1 or J-1 visa if and only if it is currently unexpired and you have been outside the United States for less than five (5) months. If you have been outside the United States for more than five (5) months, or if your current visa has expired, you will need to apply for a new visa before returning to OSU.
